**Ambica Boiler & Fabricator**  
Manuf: ETO Sterilizer, Steam Sterilizer, Autoclave,  
Pharmaceutical Process Equipment, Chemical Process Equipment

Home > Products > Reaction Vessel

Product Overview

**STERILIZER**

ETO Sterilizer

Steam Sterilizer

Autoclave Sterilizer

Fully Automatic Horizontal Sterilizer

Dry Heat Sterilizer

ETO Gas Sterilizer with Autoclave

Sliding Door Door Steam Sterilizer

Food Steam Sterilizer

**Chemical Machinery**

Reaction Vessel

Condensor / Heat Exchanger

Agitators / Mixer

Ribbon Blender / Paddle Mixer

Tray Dryer Machine

Sigma Mixer Machine

Resin Plants

Pilot Reaction Vessel

**PHARMACEUTICAL MACHINERY**

Mass Mixer

Rapid Mixer Granulator

Fluid Bed Dryer

Octagonal Blender

Paste Kettle

Multi Mill

Mixing Vessel

Homoginizer / Emulsifier

**Paint machinery**

Twin Shaft Dispenser

Dispenser Machine

Stirrer Mixer

Pug Mill

Bead Mill

Ball Mill

## REACTION VESSEL

### SALIENT FEATURES :

Our rich industry experience helps us to offer **Jacketed Reactor, Limpet coil reaction Vessel** which is available in different capacities ranging from 0.1 KL to 25 KL. These are fabricated from high grade raw material including stainless steel (304, 316), MS, hastelloy, titanium and nickel, which is procured from renowned vendors. These high performing Reactors find wide application in chemical and pharmaceutical industries for the following features:

- Type: Jacketed Reactor, Limpet Coil Reactor, Multipurpose Reactor with internal Coils
- Capacity : 20 Liters to 20,000 Liters In AISI SS 304, AISI SS 316, M.S, MOC, in Standard & CGMP Model Construction
- With M.S/ S.S jacketed & insulation with SS cladding.
- Direct top mounted stirrer with top dish / without top dish
- Different type of stirrer i.e. propeller / pedal / anchor available

Limpet coil Reaction Vessel
